

# ASIA PACIFIC REGION NEWSLETTER

## This Month's Highlights:

- [President's Message - Read More](#)
- [Global Collaboration in Landscape Architecture - Read More](#)
- [Circular Cities Summit 1.0: An Interview with Damian Tang - Read More](#)
- [Calling Volunteers for IFLA-APR PPP Committee - Volunteer Here](#)
- [Introducing Digital Credentials for IFLA LA Award Winners - Find Out More](#)

Welcome to the December Edition of IFLA APR's Newsletter!

In this edition, **IFLA APR President Chris Tidswell** shares his plans to strengthen collaboration and advance the landscape architecture profession in his first President's Message.

In his article on **Global Collaboration in Landscape Architecture**, IFLA Asia Pacific Advisory Board Chairman Damian Tang highlights the importance of global connectivity. Damian also had the opportunity to share his thoughts on the **first Circular Cities Summit**, check out more details below for the full interview.

We are **calling for volunteers for the IFLA-APR Professional Practice and Policy Standing Committee (PPP)**! Sign up and gain insightful experiences from seasoned veterans in the landscape architecture profession.

We are also thrilled to introduce **IFLA LA Awards digital badges** that can enable winners to showcase their achievements in the online world. Learn more about how you can display your digital badges below!

As 2023 draws to a close, we would like to thank you for your continued support for IFLA APR. We wish you a wonderful celebration with your loved ones this festive season, and here's to an exciting 2024!

## Featured Articles

### President's Message: December 2023

In his first President's Message, Chris Tidswell outlines his agenda to promote landscape architecture, enhance collaboration, and lead various strategic objectives across Asia Pacific.

## IFLA APR Announcements

### Call for Volunteers for the IFLA-APR Professional Practice and Policy Standing Committee

We are still calling for volunteers to join the IFLA-APR Professional Practice and Policy Standing Committee!

The PPP Committee is currently establishing a 15-year road map to future-proof the landscape profession. They are also actively supporting projects such as the Talk and Share program, as well as organizing the IFLA Asia Pacific LA and Luminary Awards.

Accelerate your career and network with the best minds across Asia-Pacific, while contributing new ideas and perspectives to future policies and guidelines. Become a volunteer today and make a difference to the landscape architecture profession!

### Introducing Digital Credentials for IFLA LA Award Winners

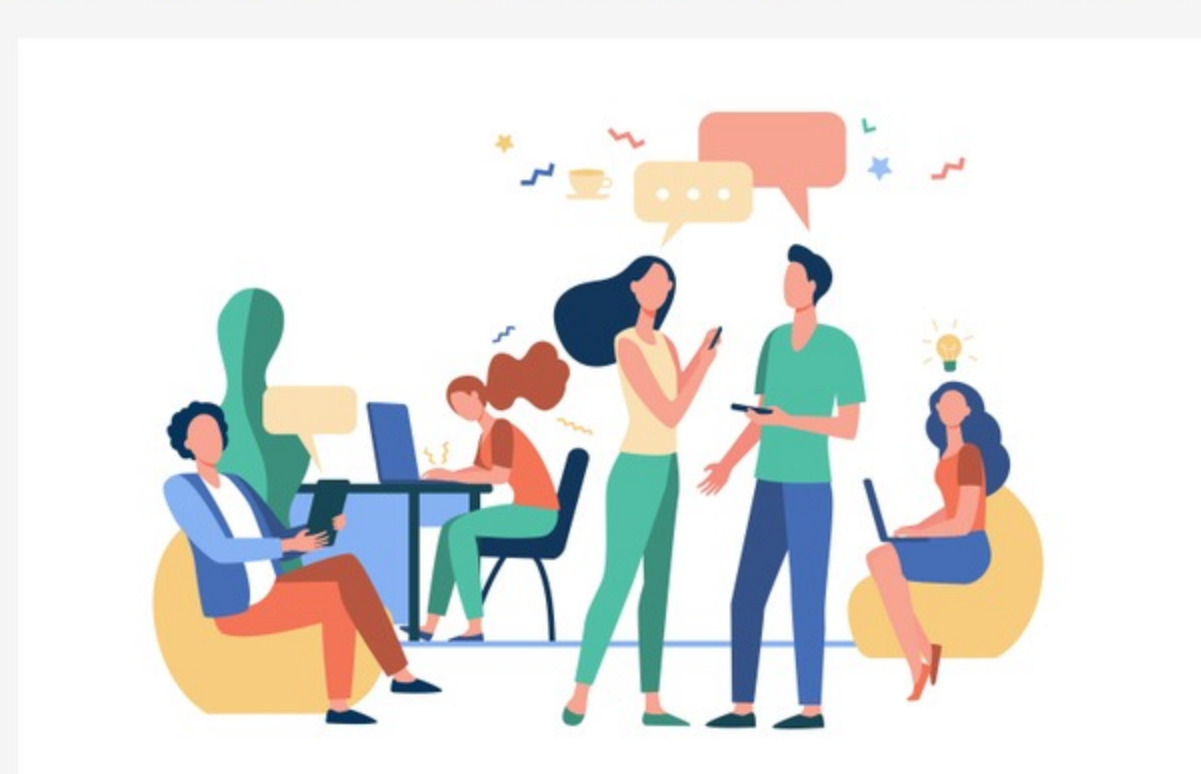

We are introducing digital credentials to revolutionize how individuals showcase their skills and certifications. These digital badges are designed to ensure that your achievements are verified through recognized certification bodies, as well as enhance your professional visibility. Click the button below for a step-by-step tutorial on how you can claim and display your IFLA Award digital badges.

Join us in this exciting journey towards the future of credentialing and transforming how we recognize and celebrate excellence in the landscape architecture field!
