

ASIA PACIFIC REGION NEWSLETTER

This Month's Highlights:

- [Global Job Task Analysis - Read More](#)
- [The 4th International Conference on Brownfields Regeneration & Ecological Restoration in Hangzhou, China - Read More](#)
- [IFLA APR Talk & Share \(February 2024\) - Register Here](#)
- [Calling Volunteers for IFLA APR Standing Committees and Working Groups - Volunteer Here](#)
- [IFLA Asia Pacific LA & Luminary Awards 2023 Winners - Find Out More](#)

Welcome to the January Edition of IFLA APR's Newsletter! We hope you had a great start to the new year.

This month, we feature the **Global Job Task Analysis**, a new research initiative seeking to gain a deeper understanding of the landscape architecture profession. We also bring you highlights from **The 4th International Conference on Brownfield Regeneration and Ecological Restoration**, which was held last December 2023. More details below!

As we look ahead to 2024, we invite you to the **first Talk & Share session of the year, happening on 22nd February!** Discover how landscape architects can elevate sustainable landscapes through community engagement and collaborative insights.

We are also **calling for volunteers for the IFLA APR Standing Committees and Working Groups!** Sign up and make a lasting impact to the landscape architecture profession and its communities.

Finally, we are pleased to announce our **award winners from the IFLA Asia-Pacific LA & Luminary Awards 2023.** Scroll down below to view the full list of winners!

The 4th International Conference on Brownfields Regeneration & Ecological Restoration was Successfully Held in Hangzhou, China

Themed "Looking Forward: Brownfields 2035", the conference aimed to create a platform for experts and enthusiasts in the brownfield sector to discuss brownfield restoration and regeneration. In conjunction with the IFLA 75th Anniversary celebrations, the conference featured a keynote address by IFLA President Bruno Marques and a comprehensive report by IFLA-APR President Chris Tidswell.
